

SMART Anniversary Edition

Whether for the living room, the workshop, or the office: in everyday life, the nearest socket is often too far away. The SMART from BACHMANN is available for precisely this scenario. Above all, this classic power strip made of impact-resistant plastic does exactly what you need: it distributes power.

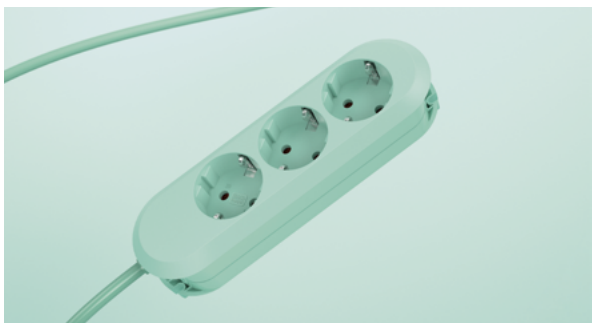

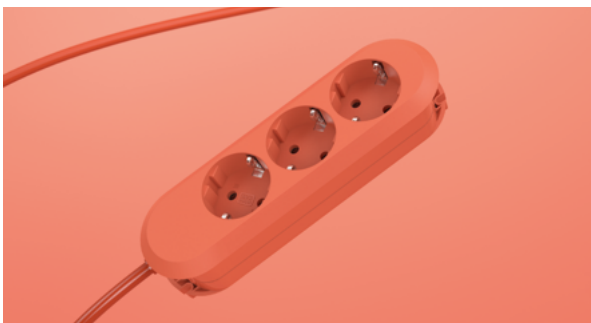

Highly attractive: the Anniversary Edition of BACHMANN SMART. BACHMANN is celebrating 25 years of SMART and is introducing the classic product to the market in four different unique colour variants. The power strip comes in Berry Blue, Mint Green, Cherry Red and Lemon Yellow, adding a touch of colour to everyday life. The pleasant, fashionable pastel shades put the classic into a new, unusual light.

SMART Anniversary Edition – reliable power distribution with a touch of colour!
