

# Master Uni Install 5W, 3000K

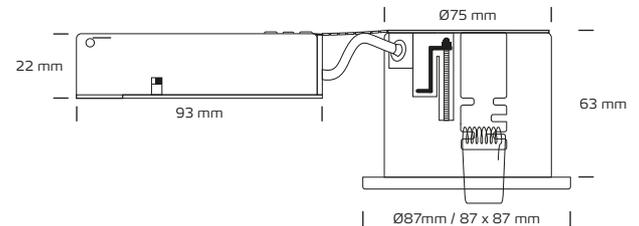

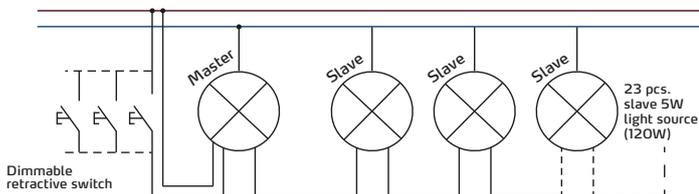

## Technical data

|                                       |  |
|---------------------------------------|--|
| <b>Hole diameter:</b>                 | Ø75 mm                                       |
| <b>Height:</b>                        | 63 mm  |
| <b>Front size:</b>                    | Ø87 mm or 87 x 87 mm                         |
| <b>Voltage:</b>                       | 220-240VAC 50 Hz                             |
| <b>System effect:</b>                 | Max. 7.5W LED                                |
| <b>Socket:</b>                        | GU10   |
| <b>Light source:</b>                  | 5W LED, 3000 Kelvin                          |
| <b>Light intensity:</b>               | 450 Lumen                                    |
| <b>Colour rendering:</b>              | CRI>80                                       |
| <b>Beam angle:</b>                    | 38°  |
| <b>Dimmable:</b>                      | Yes  |
| <b>Tilt angle:</b>                    | 30°  |
| <b>IP-class:</b>                      | IP44   |
| <b>Insulation class:</b>              | Class II                                     |
| <b>Material:</b>                      | Plastic, aluminium                           |
| <b>Possibility of through wiring:</b> | Yes (3G1.5)                                  |
| <b>Max. dimmer last:</b>              | 23 pcs. Uni Install 5W (slave)<br>@ Ta 30° C |

## Product information

- Approved for installation directly in the insulation and flammable materials
- Low mounting depth
- With built-in dimmer and memory function
- Adjustable min. setting for dimming
- Max. load 120W @ Ta 30° C
- Quick and easy mounting
- Mounting with screws or adjustable springs
- Screwless terminal block in the connector box
- Possibility of mounting with cable or 16 mm flex tube
- Adjustable springs for ceiling thickness up to 44 mm
- Adjustable screws for ceiling thickness up to 35 mm
- Designed and developed in Denmark

\*The drawing is not drawn to scale

This luminaire is compatible with bulbs of the energy classes: **A++**, **A+**, **A**, **B**, **C**, **D**, **E**

The luminaire is sold with a bulb of the energy class: **A+**

**Nordtronic** LED Downlight 874/2012
