

## DURNO

**cable luminaire for the TENSEO low voltage cable system, 2700K, black**

The DURNO rotating and swivelling LED spotlight for the TENSEO low-voltage cable system. The luminaire impresses with its slim design and is therefore ideal for modern lighting concepts. The luminaire is made from aluminium and equipped with a Premium LED module.

## TECHNICAL DATA

|                             |                   |
|-----------------------------|-------------------|
| Item no.                    | 1002861           |
| Rotating or tilting         | tiltable          |
| Assembly details            | Ceiling with Acc. |
| Primary nominal voltage     | 12V ~50Hz         |
| Safety class                | III               |
| Wattage                     | 6 W               |
| Minimum ambient temperature | -25 °C            |
| Maximum ambient temperature | 40 °C             |
| Level of inrush current     | 4.2 A             |
| Stroboscopic effect (SVM)   | 0                 |
| Lumen                       | 360 lm            |
| Colour temperature          | 2700 Kelvin       |
| Beam angle                  | 120 °             |
| Color                       | black             |
| CRI                         | 80                |
