

MANA RUSTY

Lampshade round rust

An unusual rust effect meets a high-quality light source: the MANA RUSTY lampshade adds an indirect wall light to the SLV Rusty family. The characteristic patina is created thanks to the special treatment undergone by the FeCSi steel, which is always unique in every shade. For an unusual lighting experience that is a really striking outdoor feature.

TECHNICAL DATA

Item no.	1006318
Color	rust
Height	1.5 cm
Diameter	28 cm
Net weight	2 kg
Gross weight	2.14 kg
