

Public - multi-functional lighting solutions

Description

Multi-functional quality fitting made of high pressure die-cast aluminium, 45° angle in all directions. Diffuser in UV- and vandal resistant polycarbonate, opal or transparent. Public is available in black, RAL 9011, titan, RAL 9007 and natural aluminium, stone washed finish. For easy installation and service all electro technical components are mounted on separate mounting bracket.

Application areas

P-house, facades, entrances, stairs, pedestrian areas, underpasses and tunnels.

Mounting

Direct in ceiling or on wall. On Ø 60mm pole top or on wire. An adjustable mounting bracket is available for mounting on wall or outer corners. For more details see separate catalogue or our web site.

Installation

The fitting is prepared both for open and hidden installation. Push in terminal block 5x2x2,5 mm² with through-wiring possibilities.

Adjustable wall/corner bracket

Pole top
