

# Presslok™ Splice Connectors 557-TG2, Bulk

CORNING

**Part Number:**  
**557TG2-BAG**

With the Presslok™ series of tools and connectors, service providers can meet the demand for enhanced customer services such as high-speed internet, video-on-demand, and video conferencing. Presslok connectors also offer full wire-range capability, increased port size to accommodate up to 2.08 mm (0.082 in) insulation sizes, and solvent resistant plastic construction. As new technologies migrate into the local loop, the importance of reliable connections in the embedded plant has increased exponentially. Each connection is a potential point of failure in high-bandwidth applications, which could require additional time and expense for a technician to repair. That is where the full line of Presslok connectors can really make a difference.

## Features and Benefits

Fast installation

Ease of Use

Wide Range of Common Wire Guages

Factory-installed sealant

Dry versions available for Central Offices and Vaults

Presslok™ Splice Connectors, 557-TG2 Gel-filled IDC Butt Splice Connector, Bulk Packaging (1000 pce)

# Presslok™ Splice Connectors 557-TG2, Bulk

## Specifications

General Specifications	
Product type	Copper Splice Connector
Standards	
RoHS	Free of hazardous substances according to RoHS 2011/65/EU
Design	
Composition	Gel-filled
No. of connections	Two (2)
Connector type	Butt
Conductor	AWG 22 - 16
Conductor Range	0.6 mm to 1.3 mm
Dimensions	
Weight	0.5 kg
Ordering Information	
Product Number	557TG2-BAG
EAN Code	4059496710814
Packaging method	Bulk Pack
Units per delivery	5000/1

# Presslok™ Splice Connectors 557-TG2, Bulk

The Corning logo consists of a solid blue square. Inside the square, the word "CORNING" is written in a white, serif, all-caps font, centered horizontally and vertically.
