

TDF 1080 - White

Article number: 301043

Product description:

Features and Benefits

- 1/3 Inch CMOS progressive scan sensor 1080p
- Supports TVI high definition transfer
- 1080p @ 25/30 FPS TVI output
- Long Distance, No delay
- Single DC 12V supply, suitable for various applications
- TRIAX P2P mobile App
- TDF 1080 White Housing

Specifications

ORDER INFORMATION	
EAN Number	5702663010437
CHARACTERISTICS	
Day & Night	ICR
Digital Noise Reduction	2D DNR
Frame Rate	1920x1080@25 fps - 1920x1080@30 fps fps
Lens	3.6 mm Fixed Lens
Min. Illumination	0.01Lux @ (F1.2 AGC ON) 0 Lux with IR Lux
Shutter speed	1/50s ~ 1/3.000s sec.
Video output	1Ch. BNC TVI output, Support Switch to Analogue output
Video resolution	PAL/NTSC 1920 (H) x 1080 (V) Pixel
Video S/N ratio (typical)	39.1 dB
White Balance	Auto Tracking White Balance
Image Sensor	1/3"
ELECTRICAL	
IR Distance	20 m
Number of IR LEDs	24
OPERATIONAL	
DC Operating voltage	12 VDC
Operating temperature range	-10°C ~ +60°C °C
Humidity - operating	95%, RH 90% Max %
MECHANICAL	

Packaging Depth	0,090 m
Packaging Height	0,120 m
Total Weight	0,600 kg
Packaging Width	0,120 m
Product Length	107 mm
Net Weight	0,400 kg
Tara Weight	0,200 kg
Packaging Volume	0,001 m ³
Weight (g)	400 g
Product Width	107 mm
Product Height	80 mm
