**Easy to install & affordable HD security system for your property**

Installing this Homeguard Guardian HD CCTV Kit could be the most effective step you ever take to secure your home or business. It will help to protect against criminal activity and actively deter criminals from targeting your property. Capturing superb, high quality, 720p HD footage means this Homeguard Guardian HD CCTV Kit can also be relied upon to provide detailed, vital evidence in the event of a crime being committed and protect you against litigation and false accusations. With the ability to view live footage through your smartphone, tablet, TV or computer, this Homeguard CCTV Kit will offer you peace of mind, wherever you are in the world.

The kit itself is designed specifically for use and installation by those with no prior experience of CCTV systems and just about everything you need to get started is contained in the box. If you need additional help then don't worry, our customer service team is ready and able to assist; simply look us up at [homeguardworld.com/support](http://homeguardworld.com/support) and we'll give you all the help you need.

- Full CCTV kit, including 1 x 720p Hybrid Digital Video Recorder & 4 x 720p HD CCTV Cameras
- Capture superb, high quality HD footage
- Designed for use and installation by those with no prior experience of CCTV systems
- Watch from smartphone, TV, tablet or computer
- Access live footage from anywhere in the world using a computer, tablet or smartphone via free Homeguardview app
- 8 channel recorder, add 4 additional cameras if required
- Fully weatherproof (IP66) cameras with up to 100ft/30m night vision

PRO-PIR SERIES

2MP HEAT-SENSING SYSTEM

**4400 Series DVR****8 Channel DVR with 4 x 1080p PIR Heat-sensing CCTV Cameras****TOP SELLER**AVAILABLE IN  
**4,8&16**  
CHANNELS**Be protected & get more accurate alerts, never miss a moment**

This system features Homeguard's Smart Detect PIR Heat-sensing Technology to reliably detect heat-generating moving objects, such as people, large animals & cars. With more accurate motion detection you have more reliable notifications & recording, eliminating false triggers such as falling leaves, bugs, rain & more, saving your hard drive space & playback time. You'll always know what's happening with Homeguard's Heat-sensing Security System. Peace of mind comes from being able to see activity in Full HD, with easy identification of facial details, license plates and clothing patterns. The Homeguardsafe app ensures you'll always be connected to your home or business, allowing you to see the cameras on your smartphone or tablet. You can even search the recordings to play them back, wherever you are in the world. Keep an eye at home on everything else that matters to you, such as your kids, elderly relatives or pets. If you have a business, you can always see the cashier, warehouse and check in on your staff's safety.

- A cutting edge & easy to use surveillance system with 1080p high definition video to see & protect your premises
- Seeing is believing with 4 x 1080p HD cameras offering 100ft/30m infrared night vision, with durable construction for indoors or outdoors
- The cameras feature innovative Smart Detect PIR motion & heat sensors designed for security applications & optimized to reliably detect people, cars, large pets
- With more accurate motion detection you have more reliable push notifications & recording, eliminating false triggers, saving your hard drive space & playback time
- View live or playback video in high definition on your HDTV, LCD screen or monitor via HDMI connection or VGA port
- Surveillance in the palm of your hand with live viewing on smartphone & tablet including iPhones, iPads & Android devices using the free Homeguardsafe app

# Smart Motion & Heat Detection Trigger High Accurate Alerts

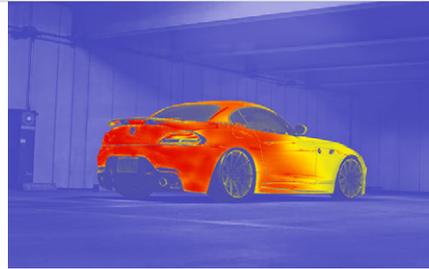

**OLD**

All movements, including objects that don't matter like falling leaves, bugs and rain, will trigger motion detection

**NEW**

Moving heat-generating objects, such as people, large animals and vehicles will trigger motion detection

HomeGuard innovative PIR technology takes your motion detection to the next level. Through sensing body heat can reduce false motion alerts and conserve hard drive space. High accurate alerts, it is true and smart detection!

4K

PLATINUM-SERIES

8MP ULTRA HD DVR

**2800 Series DVR****8 Channel 4K DVR & 4 x 8MP PIR Heat-sensing CCTV Cameras****NEW TECH**AVAILABLE IN  
**4,8&16**  
CHANNELS**Enjoy amazing video footage in Ultra HD for immersive experience**

Homeguard's 4K Ultra HD CCTV Kit lets you view your world in more details than ever before with real-time 8MP HD recording at 4x the resolution of 1080p. 4K HD CCTV cameras record footage at 15 frames-per-second (FPS) to transmit smooth on-screen movement. Wide 92° angle lenses provide extensive video coverage from every camera. 3D digital noise reduction (DNR) technology filters noise from your image (day and night) for a cleaner, more accurate image. With the ability to view live footage through your smartphone, tablet, TV or computer, this Homeguard DVR kit will offer you peace of mind, wherever you are in the world.

- Full DVR kit, including 1 x H.265 4K 8CH Digital Video Recorder & 4 x 8MP PIR Heat-sensing Day/Night Cameras
- 8MP Ultra HD video recording provides superior quality for reviewing fine details in heightened resolution
- The cameras feature innovative Smart Detect PIR motion & heat sensors designed for security applications & optimized to reliably detect people, cars, large pets
- Homeguardsafe app for live viewing, playback, video recording & snapshots (iPhone® / iPad® / Android™)
- H.265 video compression offers reduced file size and improved network performance for remote viewing
- Push notifications of motion events and instant email alerts with snapshot attachment
- Fully weatherproof (IP66) cameras with up to 130ft/40m night vision
- 8 Channel recorder, add 4 additional cameras if required
- Access live footage from anywhere in the world using a computer, tablet or smartphone via free Homeguardsafe app

# VIDEO RESOLUTION COMPARISON

Outstanding clarity, enhanced digital zoom & 4x 1080p pixels

WIRED ULTRA HD  
CCTV KITS

Homeguard Platinum HD Security System can deliver outstanding 4K Ultra HD video image clarity from 4x more pixels than 1080p with vivid colors, brighter videos, and stunning details. Zoom in to essential evidence such as license plates and faces. You can connect to 4K TVs & Monitors (not included) for an ultimate immersive experience.

**1080P SEE & SPEAK WIRE-FREE SECURITY SYSTEM**

**8000 Series NVR  
6 Channel 1080p Wireless NVR & 4 Wire-Free HD Day/Night Cameras**

**NEW TECH**

**RECHARGEABLE BATTERY**

**100% WIRE-FREE**

**SMART DETECTION**  
HEAT FROM WARM OBJECTS TRIGGERS RECORDING & ALERTS

**Every angle covered with 100% wire-free security**

Smart HD Security System combine battery operated security cameras and a security grade NVR. Unlike wireless cameras that need to be plugged in, wire-free security cameras require absolutely no cabling at all. This allows for virtually unlimited placement options around your home. A three-cell rechargeable lithium-ion battery power pack is included with every wire-free security camera. These batteries are incredibly long-lasting and can provide power to the camera for up to 6 months without needing a recharge. Wire-free cameras use Homeguard smart detection technology to detect heat from moving objects such as people, animals, or vehicles. When a moving heat signature is detected, the camera will wake-up and start to record. The free homeguardsafe app will keep you connected to your Smart HD Security System from virtually anywhere. It is full of convenient features that make monitoring your home easier than ever before.

- Full wire-free security systems, including 1 x 6CH Network Video Recorder & 4 x 1080p full HD 100% wire-free cameras
- Wire-free cameras use Homeguard smart detection technology to detect heat from moving objects. When a moving heat signature is detected, the camera will wake-up and start to record
- High quality 2-way audio let you can hear what's going on and talk back
- Full weather cameras with up to 49ft/15m night vision & 140° ultra wide viewing angel
- Set motion triggered recording from 4 cameras and get Email alert & push notification
- Place Homeguard's wire-free cameras anywhere indoors or outdoors & long distance of wireless range up to 656ft/200m
- Security in the palm of your hand with the ability to view live or recorded video on your smart device using the free Homeguardsafe app

# Theft Prevention Kit

Realistic In/Outdoor Dummy CCTV Camera with Flashing LED

## Outsmart Thieves, Deter Thieves & Protect Property

**HGDCK-6058**

Dummy Theft Prevention Kit gives the appearance of a full CCTV security system without the cost and installation required of a full system. It can also be used alongside a working CCTV system to give the impression that a larger area is covered by working CCTV cameras. Bullet dummy camera is suitable for use outside and dome dummy camera is suitable for use inside. Each dummy camera incorporates a flashing red LED light (powered by 2 x "AA" batteries, not included) and realistic looking lens to give a clear impression that it is actually a real CCTV camera. Installation is simple and fixings are included in the package.

- Dummy Theft Prevention Kit, Gives Impression of a Working CCTV Camera
- For Use Where Real CCTV is Prohibitive (Or Can Enhance a Real CCTV Installation)
- Flashing LED Light Powered by 2x "AA" Batteries (Not Included)
- Realistic "Lens" to Enhance Illusion of a Real CCTV Camera
- Bullet Dummy Camera is Suitable for Use Outdoor and Dome Dummy Camera is Suitable for Use Indoor
- DIY-easily Mount to Your Wall or Ceiling in Minutes with Screws in the Pack

**TOP  
SELLER**

- DIY**

#### HAVING FUN

# 1080P FULL HD SHADOW WATCH-CAM

## HGMVW-8649

Water-Resistant 1080p HD Video Camera & Recorder

Crystal clear video footage & 90° lens

Stylish design & high quality dial

Wares on-the-go up to 120 minutes

MicroSD storage up to 32GB

Up to 20ft/6m away

### A cool gadget & a great gift idea !

This super stylish, covert, splash-proof Shadow HD Watchcam records video and audio, takes photographs and of course tells the time. It is the hidden video and sound recorder, and still camera that really puts its wearer into the world of James Bond. It has 8GB built-in storage capacity, more than enough space to take hours of video surveillance in computer ready AVI format, capture high quality photographs, or record crystal clear video. It is perfect for making recordings of meetings or lectures, for capturing holiday memories when you do not have your camera at hand, or to leave yourself a memo when you are out and about. It's simple to use, and comes with a USB cable for uploading your files onto your PC. Whether you just love the latest gadgets or have fantasies of being the next 007 then this is the watch for you.

#### HOME & FAMILY

Record kids playing  
Record on-the-go  
Record family outing

#### OFFICE & BUSINESS

Record meetings  
Covert recording  
Record business outing

#### What's in the box

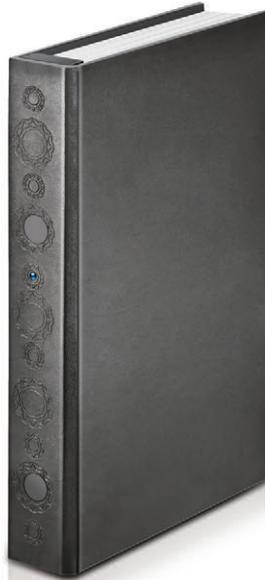

- 1 x 1080p Watch Camera with Built-in 8GB MicroSD Card
- 1 x USB Charging Extension Cable
- 1 x User Manual
- 1 x Waterproof Mic Knob

Model: HGMVP-8649  
Code: 5060442178649

# 1080P FULL HD SHADOW BOOK CAM

## HGMVB-8663

Folio 1080p Video Camera & Recorder

Crystal clear video footage & 90° lens

MicroSD storage up to 32GB

Via USB cable charge up to 20 hours

Record when motion is detected

See in complete darkness up to 7ft/2m

### Always have a discreet camera and recorder on your bookshelf !

The Folio HD Book Camera is designed for inconspicuous home or office surveillance. It looks just like a regular black book when you put it on a shelf. Just tuck it next to your favorite novel and you can keep an eye on your valuables without bringing attention to the fact that you're recording video. The Book Camera comes with a 90-degree lens and it records HD video in full 1080p, so you can see small details and faces from across the room. You can record HD video at all times of the day and see even in complete darkness up to 2 meters. The camera is also equipped with motion-activated recording for more memory space and long battery life. If you're looking for an easy way to survey the belongings in your home or office, the Folio HD Book Camera has everything you need for an inconspicuous, long-term video recording.

# Home Wireless Alarm Kits

## HGWAK-610

Alarm or entry chime sounds when windows or doors are opened

MORE  
COMPREHENSIVE  
**DIY ALARM  
SYSTEM**

The Homeguard Home Security Alarm Kit includes everything you need to help secure your home, including a deluxe door alarm with a four-digit keypad and three independent window alarms. Best of all, there's no wiring or drilling required for installation. This simple-to-use, cost-effective security solution helps protect you and your family against home invasions thanks to each of the 110 decibel alarms, loud enough to make a would-be intruder think twice about entering through your doors or windows. Perfect for homes, apartments, dorm rooms and offices.

- Easy to install - no wiring necessary
- Door alarm uses 4-digit keypad to set security code for arming/disarming
- Door alarm delay feature avoids false triggering
- 3 window alarms included
- All alarms are 110 decibel
- Door alarm requires 3 "AAA" batteries (not included)
- Each window alarm requires 4 "LR44" batteries (included)

# Garage Parking Sensor

**HGWGP-580**

**Safely park your vehicle every time**

**TOP  
SELLER**

**GREEN LIGHT - PROCEED**

**AMBER LIGHT - SLOW DOWN**

**RED LIGHT - STOP**

## Simple. Smart. Safe.

- Quick & easy to install, designed to help you easily park your vehicle in your garage by providing a visual indication of your proximity to the wall.
- Position the Garage Parking Sensor to line up with the bumper of your vehicle. Extend the indicator light on its retractable cable until it's the perfect height for you to see it – That's all there is to it!
- Set the safety distance to 1,2 or 3ft (30, 60 or 90cm) away from wall and the indicator lights will change color depending on your proximity.
- Green Light = the car has entered the detection zone.
- Amber Light = the car needs to slow down and proceed with caution.
- Red Light = the car is very close to the wall and you need to stop immediately.
- Wireless operation using 4 x "AA" batteries (not included, indicator light flashes red when batteries need replacing)

# Driveway Alert

## HGWDA-550

Chime sounds when motion is detected at home, office & retail entrances for your peace of mind

**TOP SELLER**

GREAT FOR  
OFFICE, RETAIL  
& RESTAURANTS

- Using a PIR sensor to detect movement, the transmitter can be placed near the entrance of your driveway, garage, shop, small business or anywhere you want to monitor traffic
- When motion is detected the receiver releases a pleasant chiming sound & volume settings can be adjusted to high or low
- Can be mounted at your front door, gate or driveway to alert you when people or vehicles enter your property
- Monitor the entry to your store, restaurant, reception or lobby and be alerted when customers enter or leave when you are out of sight. Potentially acts as a deterrent for unwanted visitors
- Mount the transmitter up to 330ft/100m away from the receiver. Alarm sensor range 20ft/6m within a 75° field anywhere you want to detect traffic or movement (indoors /outdoors)
- Fully wireless and includes mounting screws for quick and simple installation in minutes
- Transmitter requires 1 x 9V battery (not included) & receiver requires 3 x "AA" batteries (not included)
