Camera features

- Type of sensor: 1/2.7" SC5035 Progressive CMOS
- Infrared: 20 m
- Sensitivity: 0.05 lx
- Compression: H265/H264
- Focal lens: fixe 2.8 mm
- Angle of view (horizontal): 107°
- Frame/s.: 15 fps
- Resolution: 5 MP (2592 x 1944)
- IP rate: IP66
- Installation environment: indoor/outdoor
- Shape: bullet
- Working temperature: -30 °C ~ +55 °C
- Power supply: PoE (802.3af) or 12 V DC
- Consumption: 7 W
- WDR: no
- ONVIF: version 2.6

NVR features

- Number of channel: 8

- Maximum recording resolution: 4K
- Recording bandwidth: 60 Mbps
- LAN: RJ45 ethernet port: 8 x 100 Mbps PoE
- WAN: RJ45 ethernet port: 1000 Mbps
- Free HDD slot: 1 (max 6 Tb)
- I/O alarm: 8/1
- Format: desktop
- P2P
- Upnp
- Intelligent analytics function embedded
- Power supply: 48 V DC included
- Mobile App: GGM VIEW
