

Pack of 20 STP RJ45 plug IP20 10G Class Ea
GGM PLUGIT10GL20

The GIGAMEDIA field plug offers the advantage of a fast and easy assembly in the field - without specific tool. The solid zinc die cast housing ensures best EMC-characteristics especially in the industrial setting. The insulation displacement and a low contact resistance guarantee the safest bonding of the cable up to 8 mm thick connection cables with the cross sections AWG23/1 - AWG26/1

- Class EA, 10G/bits
- Die Cast housing, STP
- AWG23/1 - AWG26/1
- max. cable OD acceptance : 8 mm
- Strain relief through cable gland
