

Fibre optic cleaning kit **GGM CLEANKIT**

Gigamedia's cleaning and inspection kit is a must-have for fibre optic installers. Comprehensive and compact-sized, it contains all tools needed for an efficient cleaning of fibre optic ends (connectors, adapters) and is the ideal solution for a daily field use.

- Includes:
 - 1 x Visual fault locator (GGM VFL1MW)
 - 1 x Cletops cassette cleaner (GGM CLETOPS)
 - 2 x Cleaning pens for ST / SC / FC (GGM CLEANER) or LC (GGM CLEANERLC) connectors
