

SHORT FIELD PLUG 10G CLASS EA 4PPOE STP **GGM PLUGIT10GS**

The GIGAMEDIA field plug offers the advantage of a fast and easy assembly in the field - without specific tool. The solid zinc die-cast housing ensures best EMC-characteristics. The insulation displacement and low contact resistance guarantee the safest bonding of the cable up to 8 mm thick connection cables with the cross-sections AWG23/1 - AWG26/1.

- Class EA, 10G/bits
- Die-Cast housing, STP
- 45 mm depth
- AWG23/1 - AWG26/1
- max. cable OD acceptance: 8 mm
- Strain relief through cable gland
