

Pack of 10 C6 U/UTP Slim patch cords 2 m, white
GGM CAT62MZHSB

Our slim patch cord can improve space saving up to 50% from standard CAT6 UTP patch cord. It will improve airflow in racks but also avoid overcrowding patching.

When used into a Residential Wall box, small diameter cable with high flexibility will allow easy handling without affecting the performance. Component-tested for performance guarantee

Up to 5 different outer jacket color available !
