

LC OS2 field installable connector **GGM LCXPFIT09**

GIGAMEDIA's XPFIT pre-polished connectors are an easy and cost-effective termination solution.

Their mechanical splice technology requires no epoxy or polishing, which allows for faster deployments and greatly reduces operational expenditure.

- Factory-terminated LC connector for optimized performance
- Blue connector body
- Boot: suitable for 900 μ m fibre, white
- Fibre conformity: IEC 60793-2-10 B1
- Insertion loss (typical): 0,2 dB
- Return loss (typical): 55 dB
- Matings: 500 (? 0,1 dB typical change)
- Tensile strength: 4 N (900 μ m)
- Operating temperature: - 40 °C to + 75 °C
