

Cassette cleaner for ST/SC/LC/FC/MTRJ connectors
GGM CLEANBOX

The CLEANBOX is a cost-effective tool allowing quick and efficient cleaning of connectors without the need for isopropyl alcohol or solvent.
The cleaning tape can clean up to 600 connectors before having to be replaced.

- Easy to use
- Compact & lightweight
- Antistatic (prevents dust redeposition on the ferrule after cleaning)
- For up to 600 connectors cleans (ST / SC / LC / FC / MTRJ)
