

**7/8"L Flexible Cable stripping tool(BX-78L)**  
PRODUCT DATASHEET

Handlebar

**Technical parameter**

**Structure size**

Suitable Cable 7/8"L  
 Length of stripping line of outer conductor 20mm  
 Outer diameter of jacket 27.5-28.2mm

**Cutting blade specifications**

Parts	Material Science	quantity	K3
BLADE04	Cutting tool steel	1	5.21.50266
BLADE05	Cutting tool steel	1	5.21.50267

**Function**

1、Peel off the outer conductor of the cable and cut the end face flat

**Auxiliary tools**

1 Pipe cutter
