Digital to Analog Audio Converter
Digital S/PDIF to RCA adapter

MPN: AUD2ACV

The KanexPro Digital to Analog **Audio adapter** converts your digital S/PDIF or Optical (TOSLINK) audio input source to RCA output. Ideal for connecting equipment such as an A/V receiver or a recording deck via the standard RCA connectors. Now you can link your legacy sound system with digital sources such as a Blu-ray player, DVD and CD players that lacks the RCA-style analog outputs. The converter is compact in size and requires minimal setup.

FEATURES

- Supports uncompressed 2-channel LPCM analog audio signal output.
- Supports output sampling rate at 48 KHz
- Provides electromagnetic-noise-free transmission

- Easy to install and simple to operate
- Compact size
- Power supply included

SPECIFICATIONS
