ERARD®

The ERARD® group is a historical player in the audiovisual accessories market. Its continuing growth draws on the development of 4 companies: ERARD®, ERARD® PRO, ERARD® D3C and ERARD® INDUSTRIE.

ERARD® designs and markets solutions for the integration and connection of consumer audiovisual equipment: aerial accessories, mounts, furniture for television sets and connection systems.

ERARD® Pro develops and markets solutions for the integration of professional audiovisual equipment: indoor and outdoor enclosures for flat screens, TV columns, video projector mounts...

ERARD® D3C is a specialist in audio, video and data signal processing. It manufactures custom-made cables for many sectors: audiovisual, IT, industry, medical... It also markets cables, connectors and cords known for their manufacturing quality.

ERARD® INDUSTRIE co-develops and manufactures metal-based products on behalf of the ERARD® group companies and third parties as part of its industrial subcontracting activities. Its 15,000 m² factory is located in Chavanoz, in the French department of Isère.

WHAT MAKES THE DIFFERENCE?
