Notes & Warnings

Please read and follow all the safety instructions carefully.

1. Use the included USB cable to charge the device.

2. Unauthorized dismantlement and strong impact may damage the device.

3. Keep the device away from high-temperature environments, heat sources, strong magnetic, or electric fields.

4. Do not immerse the device in water or any other liquid. Store it in a dry and cool place.

5. Constant high volume sounds can harm human hearing.

6. Dispose of the packaging materials, device, battery, and other electronic components properly.

7. Do not dismantle, crush, or throw the battery into fire.

8. The packaging and the device contain small components that can be dangerous to children. Please keep them out of children's reach.

9. The device can be an interference source for other electronic devices and medical equipment.

Product Information

Dimensions

- 270mm(H)*110mm(Φ)

Weight

- 618g

Camera Specs

- F/2.2 aperture
- 4MP Video Input
- 4MP Video Output
- Horizontal FOV 115°
- Automatic White Balance
- Automatic Exposure
- Fixed focus

Video Specs

- 4MP@30fps
  16:9 Aspect Ratio

Speaker Specs

- Rated Output Power: 3W
- Speaker Frequency Response: 20Hz ~20kHz
- Speaker Volume: 90dB SPL @0dB 1kHz at 0.5m

Audio Specs

- 4-element Omnidirectional Microphone Array

Connectivity

- USB Type-C

USB Version

- USB 2.0

Input

- 5V ⎓ 500mA

*The above specifications are subject to change without notice.
